

No.F.24/Misc./NH/DHS/HQ/2015-16/ 121550

Dated: 18-09-2015

Issue of Provisional Registration Certificate (on temporary basis)

In the light of upsurge of dengue cases in Delhi City, it has been decided that following private hospitals who had applied for registration have been granted provisional registration on temporary basis keeping in public interest for the number of beds mentioned against their names in the enclosed list, on the basis of their application, Form B" and the undertaking mentioned therein for treating medically sick patients, fever and dengue cases.

The hospital authority has to ensure the following-

1. The hospital authority will ensure that only the medically sick patients and fever cases suspected of having dengue and its complication may be admitted in hospital.
2. The keeper of the hospital has to ensure that there is adequate number of required manpower, equipment and other accessories are stocked and available to take care of admitted patients.
3. No surgical and labour cases will be admitted till OT & Labour Room are ready for functioning and have been inspected and approved.
4. Meanwhile hospital authority will continue to ensure completion of identified deficiencies and pending approvals to be pursued with other govt. departments on the basis of deficiency letter already issued/ being issued to them at the earliest and inform the supervising authority.
5. The hospital authority will ensure the early procurement of any remaining goods equipments etc. at the earliest
6. Once it is done, inspection will be performed and if found fit in all respects, regular registration will be considered.
7. An Advisory in connection with upsurge of dengue cases has also been issued by the department for all private hospitals (copy enclosed).
8. This Certificate is issued to the keeper of Hospital, whose name has been given against the respective hospital in the enclosed list for a period of 03 months from the date of issue.
9. The tariff for these temporary beds shall be according to the advisory issued by this department vide No. F.23(413/GEN/Circular/DHS/HW/14/120993-99 dated 16/09/2015 (already uploaded on Govt Website), copy enclosed.
10. Private Hospital who has been allotted a land on concessional base have to provide 10% IPD & 25 % OPD free to eligible EWS patient

Encls: Advisory dated 16/09/2015.

GOVT. OF NCT OF DELHI
DIRECTORATE OF HEALTH SERVICES
F-17, KARKARDOOMA, DELHI-110032

No.23(413)/GEN/Circular/DHS/HW/14/120993-99

Dated: 16/09/2015

ADVISORY

It has come to the notice of this Directorate that there is an upsurge of fever cases in Delhi, many of them are diagnosed as dengue. Dengue cases with complications are also reporting to various private hospitals and nursing homes.

It has been reported that some serious patients are being denied admission due to non-availability of beds in private hospitals/nursing homes.

In view of this, it has been decided in meeting held under the Chairmanship of Hon'ble Health Minister of Delhi on 15/09/2015 at 7.00 p.m. at Delhi Secretariat that all private hospitals/nursing homes are allowed to increase the bed strength upto 10% to 20% of their approved bed strength on a temporary basis for a period of two months i.e. upto 15th November 2015. This duration will be reviewed further depending upon the load of dengue case in the city.

Hospitals/Nursing Homes are advised to accommodate extra beds in the wards for the time being and, if required, beds may also be placed in the corridors and waiting-area for admitting such patients. The clauses with respect to infrastructure and manpower mentioned in the Schedule appended with Rule 14 of Delhi Nursing Homes Registration (Amendment) Rules, 2011 would be relaxed for the said period in order to facilitate the Hospitals/Nursing Homes to temporarily increase their bed capacity.

It is pertinent to mention that these extra beds shall be utilised for admitting fever and dengue cases, only. Furthermore, the tariff levied by the concerned private hospitals/nursing homes for such beds shall not be more than 50% of the lowest economy category therein.

Hospitals/Nursing Homes shall not deny treatment/admission to any dengue patient requiring indoor care. In exigency more than one patient may be accommodated on a single bed. In case a patient needs to be shifted to a higher centre, he/she shall be transferred in the hospital ambulance accompanied by a doctor in coordination with the Casualty Medical Officer on duty of the higher centre.
